

Margaret River Cabernet Sauvignon 2011

With a unique combination of climate (maritime), geography and geology, Devil's Lair celebrates wines of great clarity, delicacy of fruit and elegant structure.

The philosophy of Devil's Lair is to make wines that define the region, respect the variety and above all, make complex, interesting wines.

The Devil's Lair Cabernet Sauvignon gains complexity from the terroir of individual vineyards and the winemakers handle and blend each batch of fruit to make a wine that best represents the Devil's Lair style.

Winemaker Comments Oliver Crawford

Vineyard Region

Margaret River, Western Australia

Vintage Conditions

Heavy winter rainfalls prompted early seasonal growth. Warm weather from December to February set the course for a compressed vintage. Grapes reached full ripeness with balanced sugar levels and natural acidity.
